

Item No. 8

April 3, 2013

TO: Gold Coast Transit Board of Directors

FROM: Steven Brown *Steve*
General Manager

SUBJECT: Update on the Status of AB-664 – Gold Coast Transit District Legislation

AB-664 was introduced on February 21, 2013 by Assemblymember Das Williams. Amendments proposed by the VCTC and discussed at the March 6, 2013 Board of Directors meeting were incorporated on March 21. Minor additional amendments were recommended at a March 15 meeting with the County CEO and the City Managers. General Counsel Nancy Schreiner and I discussed these minor changes and agreed they were acceptable and only clarified language about the responsibilities to continue to provide service by Cities that annex unincorporated County areas and a clarification of a process we will follow when providing new service in unincorporated county areas adjacent to non-member cities. These minor amendments are attached and have been transmitted to Assemblymember Williams' office. These changes are currently being reviewed by the Legislative Counsel for inclusion in the legislation. The March 21 version of the legislation is included with this report. The changes are noted in ~~strikeout~~ and *italics* and are on page 1 in the Legislative Counsel's Digest and on page 3 in section 107009 (b).

The first hearing for AB-664 will be in the Assembly Transportation Committee on April 8. Staff will be in attendance to provide testimony and answer questions at this hearing. The bill has also been referred to the Local Government Committee, but as of the writing of this report, a hearing date has not been scheduled.

On March 26, 2013 the Ventura County Board of Supervisors voted 4-0 with one member absent to support AB-664. Questions about the super-majority requirement were raised by a couple of the supervisors as possible deterrents to future membership by cities worried that they could not withdraw from the District if it were not beneficial to them. One suggestion was to consider an 18-month notification, minimum length of membership such as 5 years, and a simple majority approval to detach from the

District. Consideration of repayment for any fixed facility improvements made with District funds may also be a factor.

The Ventura County Transportation Commission will consider an item at their April 5 meeting to support AB-664 as amended. The Ventura Chamber of Commerce Board of Directors voted on March 20 to support this legislation and a letter of support is being sent to the Assembly Transportation Committee and Assemblymember Williams.

IT IS RECOMMENDED that the Board of Directors Receive and File this update on AB-664.

AMENDED IN ASSEMBLY MARCH 21, 2013

CALIFORNIA LEGISLATURE— 2013-2014 REGULAR SESSION

ASSEMBLY BILL

No. 664

Introduced by Assembly Member Williams

February 21, 2013

An act to add Part 18 (commencing with Section 107000) to Division 10 of the Public Utilities Code, relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

AB 664, as amended, Williams. Gold Coast Transit District.

Existing law creates various transit districts throughout the state, with specified powers and duties relative to providing public transit services.

This bill would create the Gold Coast Transit District in the County of Ventura. The bill would provide that the jurisdiction of the district would initially include the Cities of Oxnard, Ventura, Port Hueneme, and Ojai and the unincorporated areas of the County of Ventura. The bill would authorize other cities in the County of Ventura to subsequently join the district. The bill would dissolve the existing joint powers agency known as Gold Coast Transit, and would create the district, on July 1, 2014. The bill would provide for the transfer of assets from Gold Coast Transit to the district, and would provide for the member agencies of the district to claim *a portion of transit funds apportioned to the district* under the Transportation Development Act ~~on behalf of the district for transit services, including those operated directly by the member agency.~~ The bill would provide for a governing board and would specify voting procedures for the taking of certain actions by the board. The bill would specify the powers and duties of the district to operate transit services, and would authorize the district to seek voter approval of tax measures and to issue revenue bonds. The bill would enact other related provisions. By imposing requirements on the district and affected local agencies, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

107009. (a) Notwithstanding subdivisions (a) and (c) of Section 99231 of the Public Utilities Code, the apportionment area for the County of Ventura includes the unincorporated area of the county, regardless of whether that area is also within the boundaries of the district.

All members of the district may ~~also~~ claim *from the district a portion of the funds made available in from the local transportation fund apportioned by the Ventura County Transportation Commission* to the district for transit services, including the operation of locally supported transit service and maintenance of the transit facilities not provided by the district that the member funds or operates.

107010. (a) The district shall be governed by a board composed of a minimum of five directors, which may be expanded with the addition of new member cities but shall not exceed 11 directors. One director shall be appointed by the governing body of each member. Each director shall serve at the pleasure of the director's appointing authority. Directors appointed pursuant to the joint powers agreement, which is superseded by formation of the district, shall continue to serve at the pleasure of the director's appointing authority. Each director shall at all times during the director's term be a member of the governing body of the member that appointed the director.

(b) The governing body of each member shall also appoint an alternate director, who shall serve on the board during the absence or disability of the member's regular director. The alternate director shall meet the same qualifications and shall serve upon the same conditions and for the same term as the regular director. Whenever the alternate director serves on the board, the alternate director shall have all the powers of a regular director.

(c) The board may designate one or more ex officio members based on district adopted procedures. The duties and responsibilities of such nonvoting ex officio members shall be set forth in the adopted bylaws.

(d) All actions of the board shall be by majority vote on a one director, one vote formula with the exception of votes on the annual budget, midyear budget changes and amendments, and capital expenditures of five million dollars (\$5,000,000) or more. The vote for these specific issues shall be weighted, as set forth in subdivision (e).

(e) Where this subdivision is applicable, a director appointed by a member whose population is under 100,000 shall have a vote whose value and effect is equal to 1.0 vote and a director appointed by a member whose population is 100,000 or more shall have a vote whose value and effect is equal to 2.0 votes. The annual population estimates of the Department of Finance shall be used with an updated formula presented to the board annually at the first board meeting after release of the estimates. The weighted vote of any single director shall not, of itself, be given the value or effect of a majority vote. A weighted vote may not be split by any director.

(f) The board shall adopt bylaws for its proceedings consistent with the laws of the state.

(g) The board shall do all of the following:

(1) Adopt an annual budget.

(2) Adopt an administrative code, by ordinance, which prescribes the powers and duties of the district officers, the method of appointment of the district employees, and the methods, procedures, and systems of operation and management of the district.

In the event of the chair's or vice chair's absence or inability to act, the directors present, provided a quorum exists, by an order entered into the minutes, shall select one director to act as chair pro tempore, who, while so acting, shall have all the authority of the chair.

107012. All meetings of the board and any standing committees shall be conducted in a manner prescribed by the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code).

107013. A majority of the board or of a standing committee entitled to vote constitutes a quorum for the transaction of business. All official acts of the board or a standing subcommittee of the board require the affirmative vote of a majority of the board or committee members present.

107014. The acts of the board shall be expressed by motion, resolution, or ordinance.

CHAPTER 5. Powers of the District
